

# Changed Lives

## Thomas, The Doubtful One

**Text: John 20:19-31**

### **I. Introduction**

- Many people are disturbed about the so-called conflicts between science and faith
- Today we want to examine the life of one of the apostles who has always been known for his doubting
- Three principles that help with this struggle

### **II. Science Deals With How And Faith Deals With Why**

- There is no real conflict between science and faith, but only in our finite understanding of science and faith

### **III. There Are Two Kinds Of Truth In The Bible; Historical Truth And Spiritual Truth**

- The truth of creation
- It is only when we try to read our own, private, imperfect interpretations into the Bible that we make our faith appear foolish

### **IV. We Walk By Faith**

- **1 Corinthians 13:12**
- *This Is My Father's World*
