

# He Arose

**Text: Luke 24:1-9**

## I. Introduction

- The crown of thorns was transformed...to roses
- The thorns of Good Friday changed to roses on Easter Sunday when He arose from the dead

## II. Christ, Our Lord...Is Risen

- That's what makes our faith different from any other religion
- There's something wrong with a society where God is dead, but Elvis is still alive
- Appearances of the risen Christ recorded in [Mark 16:9](#), [John 20:14](#), [Matthew 28:9](#), [Luke 24:13-35](#), [Matthew 16:12-13](#), [John 20:19-25](#), [John 20:27-29](#), [John 21](#), [Acts 1:1-11](#), [Acts 9](#)
- Testimony of Peter in [Acts 2:22-24](#), [29-42](#)

## III. There Will Always Be Those Who Doubt His Resurrection

- Some label the resurrection of Christ the same as the Loch Ness monster
- Christ has risen from the dead...but what does it mean to us?

## IV. We No Longer Have To Fear Death

- Even though we miss our departed, they are not gone forever
- We will meet them again in Heaven
- Veni, vidi, vici
- This is what Jesus did
- He conquered all sin, all death, for all time

## V. Conclusion

- I know that my Redeemer lives
- Do you?
- Christ Jesus is risen from the dead
- Do you accept Him as your Savior?
