

# New Hope For A World That's Out Of Control

**Text: Matthew 2:13-23**

## **I. When Live Get Out Of Control**

- The Christmas Season can be like that
- Things weren't easy for Mary and Joseph after the first Christmas
- "It is better to be Herod's *huis* (pig) than Herod's *huios* (son.)"
- There are evil people in this world
- No child should be forced to connect Christmas with death
- People still see the "reincarnation of Herod" in our present day
- **1 John 3:11-15**

## **II. Evil Never Has The Last Word**

- Evil will not have the last word!

## **III. Conclusion**

- "Mine eyes have seen the glory of the coming of the Lord!"
