

## How To Enjoy Heaven (part 2)

**Text: Matthew 25:31-46**

### V. We Must Learn To Enjoy Working For The Lord

- We're not going to "just relax" in Heaven
- Rest is nothing more than a change from routine
- **Revelation 7:15**
- **Revelation 22:3**
- **Revelation 14:13**
- **1 Corinthians 2:9**

### VI. We Must Learn To Enjoy The Fellowship Of The Saints

- "The closer you come to Christ, the farther you will be separated from the world" and the people, places, and things of this world.
- **1 Corinthians 5:9-11**
- Only those who have the capacity to enjoy Heaven are going there and these are five facts we know for sure:

We must learn to enjoy (1) obeying God, (2) worshipping God, (3) wearing robes of righteousness, (4) serving God, and (5) the fellowship of the saints

- **Revelation 21:4**
- **Revelation 22:14**
- **Matthew 25:41**
- God won't allow anyone there who won't be happy in Heaven
- The shortest way to Heaven is in good company with good Christians
- The most active Christians love Jesus, attend all the services, and enjoy fellowship with other Christians

### VII. Conclusion

- Are you preparing to go to Heaven?
