

Just Who Do You Think You Are?

Text: Galatians 3:26-29

I. Introduction

- Do you know who you are?
- If you have accepted Jesus Christ,

II. You Are A Child Of God

- You are somebody!

III. It's A Terrible Thing When A Person Believes That His Or Her Life Doesn't Count

- "Mister, I ain't nobody's nothin'! I ain't nobody's nothin'!"
- "We need to be loved! We need to be cared for! We need to know that what happens to use makes a difference to someone else!" - Dr. John Claypool
- Only God has the right to judge you
- God says we are His children
- Satan and the world says "You're a nobody"

IV. We Don't Have To Take The World's Accusations Lying Down

- What a great service it could be for humanity if every person who intentionally made others feel small, insignificant, or unworthy could be held legally accountable for their words or actions
- As a church, one of our primary responsibilities is to lift people up
- We must remind people that they are the chosen children of God
- Today I hope you realize this fact is true of you, you are somebody
- "The world tells you many lies about who you are and you simply have to be realistic enough to remind yourself of this!" – Henri Nouwen

V. Conclusion

- Are you truly a child of God?
- Accept Jesus as your Savior if not, and become His child!
